Prior to co-founding Orion Commercial Partners Matthew worked in the CB Richard Ellis Asset Services group where he managed the property accounting, financial reporting, leasing and construction management of a 1.4M SF portfolio. Matthew later built upon this experience at Pacific Real Estate Partners as an Associate broker where he specialized in office and flex industrial leasing and investment sales.

His understanding of property performance and lease administration gives him a comprehensive perspective when analyzing and evaluating real estate transactions for his clients. Owners, Investors and Tenants alike benefit from Matthew's broad experience with a variety of asset types and his hands-on knowledge.
